

## Sponsorship Agreement

The 16th French Congress on Acoustics (CFA) will be held from April 11 to 15, 2022 in Marseille, under the aegis of the French Acoustical Society (SFA). It will gather a large proportion of the acoustical professional body working in France, either in academia, industry or consultancy. Since its first edition in 1990, the French Congress on Acoustics has aimed to promote exchanges and discussions about research and development in acoustics.

The SFA is joining forces with the professional union of Acoustics Consultants (CINOV GIAc) to combine for the very first time the 16th CFA to the National Acoustical Engineering Meeting (RIAc) so as to stimulate exchanges between academics, industrial manufacturers, SMEs and micro businesses but also to promote direct contact between the young acousticians and the socio-economic network.

In addition to the scientific sessions, a special session around **Carriers in Acoustics** aims to reveal to students other ways to apply their acoustics skills beyond academy, and thus understand the diversity of the challenging, exciting and rewarding carriers in acoustics, the wide range of fields of applications.

Moreover, the **Jobs Fair** is scheduled for Friday, April 15th PM where, during one-to-one meetings and open discussion, young acousticians and potential employers will be able to get to know each other and to know the respective expectations, communicate current or future job offers.

The Local Organizing Committee is offering several sponsorship opportunities. This is for you a way to promote your expertise in acoustics and your product lines, strengthen your brand image among participants and open up opportunities for new contracts, collaborations or recruitment. For us, this is to provide Congress participants with an extensive overview of what is being done in practice in the industry.

We are committed to ensuring that our sponsors will be visible to attendees through acknowledgments, advertisement and corporate logo on banners, program and/or website. You can find below our sponsorship packages, which we can adapt to your needs on request.

To support the event, please complete and sign the form below, and send it back with an order form (to Societe Francaise d'Acoustique, 44 rue Pasquer, 75008 Paris, France) or an order reference. To send it, please use the following email:

[cfa2022-exposants@lma.cnrs-mrs.fr](mailto:cfa2022-exposants@lma.cnrs-mrs.fr)

You will then receive an invoice (mentioning your order reference), payable in euros by bank transfer to the SFA bank account. The SFA is a not-for-profit association and does not charge any VAT.
